

# CHIGNECTO-CENTRAL REGIONAL SCHOOL BOARD

## GUIDING PRINCIPLES

The Chignecto-Central Regional School Board will be accountable to the public for the results achieved in the Region's schools.

Within the parameters of the Education Act and the Public Schools Program, the Board will determine priorities; provide human and material resources; monitor and evaluate results achieved. This activity will be implemented through the strategies/action plans flowing from a Regional strategic plan.

Consistent with a commitment to excellence, the Board has adopted the following, guiding principles:

- to improve student achievement and self-esteem;
- to support the partnership of home, school and community in the development of students;
- to improve the quality of services provided to students and all other stakeholders;
- to further enhance the quality of instruction;
- to promote and support a safe and positive school environment conducive to teaching and learning;
- to achieve regional equity in the delivery of programs and services;
- to hold high expectations for students, teachers and community stakeholders in the process of life-long learning;
- to enhance employee effectiveness and satisfaction;
- to establish, implement and monitor an accountability process;
- to actively promote and maintain a climate of mutual trust, confidence and respect throughout the organization and within the community of stakeholders;

## CCRSB GUIDING PRINCIPLES

---

- to emphasize responsibilities of, and establish partnerships with, all of the social agencies which impact on the development of children and young adults;
- to encourage participation by all stakeholders in decision-making processes;
- to increase community support for, and emphasize involvement in, public education.
