CHILD ABUSE REGISTER-REQUEST FOR SEARCH

[BOARD MINUTE #01-97, Page 3]

The Chignecto-Central Regional School Board recognizes its responsibility to ensure that children attending schools under its jurisdiction are protected from abuse in any form while at school and/or under the care and control of Board employees.

Accordingly, and pursuant to the Nova Scotia Department of Community Services, **Children and Family Services Act (1990)**, the Board requires that all persons considered for employment with the Board complete the Department of Community Services, **Form B2, Child Abuse Register-Consent to Disclosure of Information** as a prerequisite for employment.

Prospective employees who fail to comply with this request or, as a result of the subsequent search, fail to produce a “clean record” may be denied employment with the Chignecto-Central Regional School Board.
