

CHIGNECTO-CENTRAL REGIONAL SCHOOL BOARD

Highlights of Meeting

Held on

April 12, 2006

SOUTH COLCHESTER ACADEMY, BROOKFIELD

Student Presentation

South Colchester Academy students *Scott George* and *Robert O'Brien* provided the Board with an opportunity to observe their award-winning entry in the *Skills Nova Scotia Competition*. Scott and Robert presented a viewing of their public service announcement video promoting a trade in digital media at the Nova Scotia Community College, a project which earned them second place in the *Film and Video* category.

Policy #B-11, Internet and E-Mail Use (Employees / Board Members)

The Board approved a motion to adopt Policy #B-11, Internet and E-Mail Use (Employees/Board Members). The policy supports and encourages effective, responsible and appropriate employee and Board Member use of the internet and e-mail.

Wayne Hulley Workshop

During his administrative report to the Board, Superintendent Gary Miller expressed favourable comments regarding the "*Wayne Hulley Workshop*", a professional development opportunity for school and system leaders and Board Members, on the *Professional Learning Communities* initiative. Mr. Miller indicated the dynamic workshop held on April 10th and 11th provided those in attendance with:

"a better understanding that PLCs are a vehicle to school improvement and to improving student achievement. It's a vehicle characterized by teacher collaboration with a focus on results and an unrelenting commitment to ensuring student success."

Several Board Members also shared positive observations on this exceptional event.
