Student Presentation: Reach For Dalhousie Competition

Board Members enjoyed a presentation from Grade 12 Cobequid Educational Centre students *Ryan Andrews*, Riversdale; *Bobo Eyrich*, Tatamagouche; and, *Kelsey MacKenzie*, Truro who provided an overview of their very successful *Reach for Dalhousie* experience. On October 14th, 2005 their team earned first place in the competition that involved over forty teams from Nova Scotia and New Brunswick.

The teammates and their advisor, *Nicole Hart*, were congratulated on their hard work and skill which was evidenced by their impressive win. As competition winners, these students were each awarded full tuition for one year at Dalhousie University.

Resignation of Superintendent

With sincere regret, the Board accepted the resignation of Gary Miller, Superintendent of Schools, to be effective July 31, 2006. By that date Mr. Miller will have concluded 35 years of teaching service in the Province of Nova Scotia.

In his letter Mr. Miller stated:

"I consider it both a privilege and an honour to have served as your Superintendent since 2001. While there have been many challenges for us during the past 5 years, I am confident in saying that our achievements together on behalf of our Region's children, youth and adults have also been many."
